25X1 6. [] Talked to Frank Slatinshek, Chief Counsel, House Armed Services Committee, and brought him up-to-date on our conversations with Bill Jones and Herb Roback, House Government Operations Committee staff, on the SAT sale. Slatinshek agreed we should proceed with the settlement effective 31 December.

25X1 7. [] Tried to reach Senator Symington to bring him up-to-date on the Hunt/Goldwater story. I was informed that Symington is in Florida and most of his staff are on leave. I left a message for the Senator that we had some additional information on this subject which was not of earth shaking importance but we would pass it on to Kathy Nelson, of his staff, when she returns to the office next week.

25X1 8. [] Called Chairman Nedzi's office and left word for him that [] death occurred on 18 February 1972.
